

Thank you for your interest in becoming a displaying artist in the Milton Artists' Guild (MAG).

MAG is a membership-based, 501c3 non-profit organization with an Executive Director, 3 staff members, and a Board of Directors. Our members have developed an accessible intake process for potential new members. Mag strives to be as inclusive as possible, while maintaining a standard of quality and with the recognition that we only have so much space to display artists.

The application process starts with the following documents and procedures; Art Standard Review form which the member panel will use to review your art. **Please send MAG, via email info@miltonartistsguild.org, your Artist Bio/Resume, and send 3-5 pictures of your art/craft with a brief description of each.**

Our member review committee consists of member artists with a variety of creative backgrounds. This committee meets the first and third week of every month. You will be asked to drop off samples of your art to MAG for the committee to review. You will then be notified via email the results of their review.

We look forward to viewing your art.
